

Connector-Literature Circles

Name: _____ Book: _____

Date: _____ Assignment: _____

Connector: Your job is to find connections between the book you are reading and the outside world. This means connecting what you read with your own life, to what happens at school or in the community, to similar events at other times and places, or to other people or problems. Once you have shared your connection to this section of the book, each member of your group will also relate their own connection to the book, although they may refer to a different passage.

Describe the part in the book, and then explain your connection.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
